

Music of the Holiday Season at the Idaho Statehouse

This is the wonderful time of the year when the Idaho State Capitol Building is filled with the music of the holiday season. The unique acoustics of the Rotunda provide the backdrop for area school choral and music groups as they perform during the month of December. Plan to visit our beautifully decorated Idaho Statehouse during the holidays and support Idaho's talented young people.

Event Schedule: (updated 12/06/05)
